

Company

NISSO PRONITY Co.,Ltd.

 Manufacture of
Fabricated Metal
Products

Basic Information

Representative	Toru Ishida, President and CEO		
Address	【Fukushima Factory】95-2 Fujisawa, Sawai, Ishikawa-machi, Ishikawa-gun, Fukushima 963-7825		
	【Head Office】1-15-29 Mukaino, Minami-ku, Fukuoka City, Fukuoka 815-0035		
Capital	¥1,176M	Employees	112
Telephone	+81-247-57-6800	Fax	+81-247-57-6801
Website	http://www.kakou-nisso.co.jp		
Affiliated Companies	AZUMA GUM Co.,Ltd. (in Gunma Prefecture), NISSO ENGINEERING Co., Ltd. (in Tokyo)		
Major Clients	Electrical equipment material merchandisers, major and local electric contractors, general contractors, interior finishing contractors, construction material merchandisers		
Contact Person	Ryoji Itawa, Fukushima Office E-mail : iwata.r@kakou-nisso.co.jp		

Areas of Business

Metalworking:

- Sales of metal products
- Metal processing

Major Products / Technologies / Services

Support frames for solar cell array, solar system-mounted carports (*Solar Neo Port*), refractory panels (authorized by Minister of Land, Infrastructure and Transport) and other metal panels, order processed products

Business Conduct in the Field of Renewable Energy

Introduction

NISSO PRONITY is a metal processing corporation. Its corporate philosophy is “to keep pursuing an infinite possibility by creating values to processing technologies” and to be a comprehensive corporation in processing business.

In March 2014, Fukushima Factory started to run its operation. Fukushima Factory is our manufacturing base in Eastern Japan, and this factory is essential to the implementation of our growth strategy.

Areas of Interest

Photovoltaic	Smart Community
Wind Power	Ground-Source Heat
Hydropower	Storage Batteries
Biomass	Hydrogen Energy
Others ()	

Track Record

- ◆ Manufacture of frames for mega solar power plants.
Delivery records: 209 deliveries, 684 mega in total (by February 2016)
- ◆ Manufacture of solar system-mounted carports
- ◆ Development of *Neo Port*, a disaster prevention garage with a power storage system.

Support frames for mega solar generators

Neo Port, a disaster prevention garage

Suggestions & Proposals

- ◆ As well as delivering frames for mega solar power plants, NISSO PRONITY has over 4000 delivery records of multifarious support frames for solar cell array. NISSO PRONITY has learned know-how from experience, we can suggest wide range of frame ideas and meet customer's demands.
