

位置図

The map shows a topographic view of a region in Japan. A red circle marks a specific location on a road, which is identified by a red arrow and the label '国道118号' (National Route 118). Another red arrow points to a nearby area labeled '事業箇所' (Project Site). The map includes various geographical features such as rivers, roads, and elevation contours. Other labels on the map include '中野', '高内', '大日向', '石田', '高田', and '新屋敷'.
