

I am saddened by the huge loss caused by the recent tsunami to our friends in the Fukushima Prefecture in Japan. We stand with you and pray with you during this difficult time. We believe you will overcome the challenge and there will be a rapid recovery. ~~Sincerely~~
- Professor Alexander Nyarko
Director, Noguchi Mem. Inst, Legon.

We share in your loss and grief but are confident that you will overcome this tragedy.

Joni-Adje
Prof. David Joni-Adje
Former Director, UNICOR

At such a time as this, we remember you all in our prayers. We trust that the resilience of you all will see you through this.

K.A. Karam
Prof. K.A. Karam
Dep. Director

Our hearts are sad with your losses, full of hope for your future, and warm with great admiration and respect for your strength and courage. You are in our prayers.
Cheri McLawton
Publications Mgr.

Thinking of you at this time and praying that you will soon recover from your difficult circumstances. May God's divine grace be your source of strength and guide during this difficult time.

Anna K. Kudat
Anna K. Kudat
Executive Secretary

Our hearts felt grief for the loss. As if nature has turned against humanity. But the good Lord's covenant with us is that we shall make peace with creation.

To Our Friends in Fukushima, and Japan

It was sad to see all those scenes. However, I know the Japanese spirit will rise above the catastrophe that has happened. Wishing you the best in your rebuilding efforts.

Daniel H. Bouye
Prof. Daniel H. Bouye
Head, Parasitology

My heart bleeds for the nation Japan and its people for this undecipherable tragedy.

My deepest sympathies to you all who have suffered and wish you all better times than before.

Michael D. Nilson
MICHAEL D. NILSON
PROFESSOR OF PARASITOLOGY

Our hearts are with you at this difficult time in the history of your country. We continue to pray with you!
a *Janet Collins* Thorsley, Research Fellow

Trust that you will experience great healing at a time like this.
Benjamin Akpan
Benjamin Akpan
Ph.D. 2007.

Our hearts are with you at this very trying period but we are confident that your courage and fortitude will see you through.

Prof. Margaret Armar-Klasmann
Head, Nutrition Dept.

It was indeed a heart breaking news but we know that the Almighty God will keep all these souls lost and console the living families with his mercies. We deeply sympathize with the government, the people and the families of all those who lost their lives in the unfortunate disaster in Japan.
